

## One Seamless Digital Banking Platform

### Account Opening

Demand Deposit Accounts  
Credit Cards

### Digital Lending

Commercial Loans  
Consumer Loans  
Mortgages

*With ATTUNE, we've streamlined our loan and credit card processes, automating onboarding and simplifying lending from application to close. This has accelerated decisioning and boosted the number of credit cards we issue and loans we fund.*

**Blake Rappenecker, AVP — Midwest Bank**

ATTUNE's end-to-end platform enhances efficiency and drives growth. The white label solution is customized for a personalized experience built on each institution's criteria and policies:

- Online & In-Branch Workflows
- Automated Verification (ID, Asset & Employment)
- Seamless KYC / KYB
- Automated Underwriting
- Instant Approvals
- ACH Payments
- Digital Disclosures
- Auto Enrollment (online banking, eStatements & debit cards)

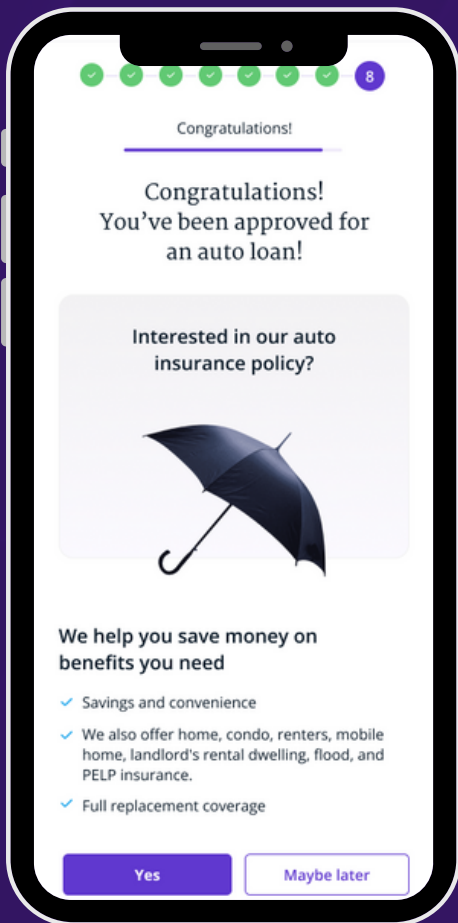

**90% FASTER ONBOARDING**  
**75% FASTER LENDING CYCLE**

**AUTOMATE  
APPLICATIONS**

**ACCELERATE  
DECISIONING**

**ACTIVATE  
ENGAGEMENT**

## Cross-Sell, grow more

ATTUNE's end-to-end platform includes cross-selling features that enhance engagement and drive greater product usage within the same workflow.

Proactively offer additional services:
